

# Down By The Station

---

This is for the people who never rode the train  
Whether in California or even up in Maine  
Makes no diff'rence if you're two  
Or a hundred and two  
You'll get a treat when you order  
A seat on the ol' choo-choo

Down by the station early in the morning  
See the little puffer bellies all in a row  
See the station master turn the little handle  
Chug, chug, toot, toot, off we go
