

# Sipping Cider Through a Straw

---

The prettiest girl  
I ever saw  
Was sippin' cider  
Through a straw  
The prettiest girl I ever saw  
Was sippin' cider through a straw

I asked her if  
She'd teach me how  
To sip some cider through a straw  
I asked her if she'd teach me how  
To sip some cider through a straw

First cheek to cheek  
Then jaw to jaw  
We sipped that cider through a straw  
First cheek to cheek then jaw to jaw  
We sipped that cider through a straw

And now and then  
That straw did slip  
And we'd sip cider lip to lip  
And now and then that straw did slip  
And we'd sip cider lip to lip

And now I've got  
A mother-in-law  
And nineteen kids that call me "Paw"  
And now I've got a mother-in-law  
And nineteen kids that call me "Paw"
