

Down By The Station

This is for the people who never rode the train
Whether in California or even up in Maine
Makes no diff'rence if you're two
Or a hundred and two
You'll get a treat when you order
A seat on the ol' choo-choo

Down by the station early in the morning
See the little puffer bellies all in a row
See the station master turn the little handle
Chug, chug, toot, toot, off we go
