Gingerbread Man

Sing humpty dumpty, dickery dan
Sing hey, and sing ho for the gingerbread man
His smile is so sweet and his form is so neat
He has gingerbread shoes on his gingerbread feet
He has gingerbread shoes on his gingerbread feet

His eyes are currants, shiny and black
He’s baked in a pan, lying flat on his back
He comes from the oven so glossy and brown
He’s the loveliest gingerbread man in the town
He’s the loveliest gingerbread man in the town

Sing humpty dumpty, dickery dan
Sing hey, and sing ho for the gingerbread man
His smile is so sweet and his form is so neat
He has gingerbread shoes on his gingerbread feet
He has gingerbread shoes on his gingerbread feet
