## **Make New Friends**

Make new friends, but keep the old. One is silver, the other is gold. A circle is round, it has no end. That's how long, I will be your friend.

A fire burns bright, it warms the heart. We've been friends, from the very start.

You have one hand, I have the other. Put them together, We have each other.

Silver is precious, Gold is too. I am precious, and so are you.

You help me, and I'll help you and together we will see it through.

The sky is blue The Earth is green I can help to keep it clean

Across the land Across the sea Friends forever We will always be
