

Oh Dear! What Can The Matter Be

Chorus

Oh dear! What can the matter be?
Dear, dear! What can the matter be?
Oh, dear! What can the matter be?
Johnny's so long at the fair

He promised to buy me a bunch of blue ribbons
He promised to buy me a bunch of blue ribbons
He promised to buy me a bunch of blue ribbons
To tie up my bonnie brown hair

Chorus

He promised to buy me a bunch of red flowers
He promised to buy me a bunch of red flowers
He promised to buy me a bunch of red flowers
To show me how much he does care

Chorus

He promised to buy me a nice candy apple
He promised to buy me a nice candy apple
He promised to buy me a nice candy apple
With me, I know Johnny will share
