

Old Man Grumble

There was an old man and he lived in the woods
As you may plainly see
He said he could do more work in a day
Than his wife could do in three

The old woman said, with all my heart
If this you will allow
You shall stay at home today
While I will follow the plow

But you must milk the Tiny cow
For fear she will go dry
And you must feed the little pig
That stands in yonder sty
