

Roll Over (Ten in a bed)

Ten in a bed,
And the little one said
“Roll over! Roll over!”
They all rolled over and one fell out,

Nine in a bed
And the little one said
“Roll over! Roll over!”
They all rolled over and one fell out,

Eight in a bed ...

Seven in a bed ...

Six in a bed ...

Five in a bed ...

Four in a bed ...

Three in a bed ...

Two in a bed ...

One in the bed
And the little one said,
“Alone at last!”
