

# Roll Over (Ten in a bed)

---

Ten in a bed,  
And the little one said  
“Roll over! Roll over!”  
They all rolled over and one fell out,

Nine in a bed  
And the little one said  
“Roll over! Roll over!”  
They all rolled over and one fell out,

Eight in a bed ...

Seven in a bed ...

Six in a bed ...

Five in a bed ...

Four in a bed ...

Three in a bed ...

Two in a bed ...

One in the bed  
And the little one said,  
“Alone at last!”
