

# Wee Willie Winkle

---

Wee Willie Winkie  
Runs through the town  
Upstairs, downstairs  
In his nightgown.  
Rapping at the window  
Crying at the lock  
Are the children all in bed?  
For now it's eight o'clock!

Rapping at the window  
Crying at the lock  
Are the children all in bed?  
For now it's nine o'clock!
